ABOUT ME

Greetings! This is Md Jowel,

I am a professional full-stack web developer with over 2 years of experience specializing in JavaScript, React Js & Node Js Application development. I have worked on a wide range of large-scale dynamic projects using React Js, Next Js and delivering solutions tailored to my clients' unique needs.

I am an organized, efficient and self-motivated person. I am a good listener and learner, able to communicate well with English with a group and on an individual level. I am able to motivate and direct my talents and skills to meet objectives. And I am willing to discover and always I try to improve myself.

My expertise includes HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, React.Js, Next.Js, Node.Js, Express.Js and MongoDB.

I focus on writing SEO-friendly, clean, and efficient code while ensuring fast delivery and complete customer satisfaction.

Thank You.
